Hi Mike. Thanks for letting me know. Regarding the CAG, we have sign in sheets for the quarterly meetings. Those are public information and I could find those and share them with you if you like. The latest CAG list that we received from Kim is from November 2018. The names she provided are below. Jesse and I have it on our to-do list to get an updated list.

Take care,

Hi Jennifer,

I hope to make it tomorrow but there is another meeting in Cole regarding park planning at the exact same time so I'm not sure when I'll get there.

Can you tell me if the EPA has been keeping a log of CAG member attendance? Or is that something the CAG administrator handles?

If you have a current roster / attendance list would you be able to share it with me?

Thanks!

- Mike
